### Administrative, Procedural, and Miscellaneous

(Also Part I, ' ' 61, 83, 721; 1.721-1.)

Rev. Proc 2001-43

#### SECTION 1. PURPOSE

This revenue procedure clarifies Rev. Proc. 93-27, 1993-2 C.B. 343, by providing guidance on the treatment of the grant of a partnership profits interest that is substantially nonvested for the provision of services to or for the benefit of the partnership.

#### SECTION 2. BACKGROUND

Rev. Proc. 93-27 provides that (except as otherwise provided in section 4.02 of the revenue procedure), if a person receives a profits interest for the provision of services to or for the benefit of a partnership in a partner capacity or in anticipation of being a partner, the Internal Revenue Service will not treat the receipt of the interest as a taxable event for the partner or the partnership. For this purpose, section 2.02 of Rev. Proc. 93-27 defines a profits interest as a partnership interest other than a capital interest. Section 2.01 of Rev. Proc. 93-27 defines a capital interest as an interest that

would give the holder a share of the proceeds if the partnership's assets were sold at fair market value and then the proceeds were distributed in a complete liquidation of the partnership. Section 2.01 of Rev. Proc. 93-27 provides that the determination as to whether an interest is a capital interest generally is made at the time of receipt of the partnership interest.

### SECTION 3. SCOPE

This revenue procedure clarifies Rev. Proc. 93-27 by providing that the determination under Rev. Proc. 93-27 of whether an interest granted to a service provider is a profits interest is, under the circumstances described below, tested at the time the interest is granted, even if, at that time, the interest is substantially nonvested (within the meaning of ' 1.83-3(b) of the Income Tax Regulations). Accordingly, where a partnership grants a profits interest to a service provider in a transaction meeting the requirements of this revenue procedure and Rev. Proc. 93-27, the Internal Revenue Service will not treat the grant of the interest or the event that causes the interest to become substantially vested (within the meaning of ' 1.83-3(b) of the Income Tax Regulations) as a taxable event for the partner or the partnership. Taxpayers to which this revenue procedure applies need not file an election under section 83(b) of the Code.

#### SECTION 4. APPLICATION

This revenue procedure clarifies that, for purposes of Rev. Proc. 93-27, where a partnership grants an interest in the partnership that is substantially nonvested to a service provider, the service provider will be treated as receiving the interest on the date of its grant, provided that:

.01 The partnership and the service provider treat the service provider as the owner of the partnership interest from the date of its grant and the service provider takes into account the distributive share of partnership income, gain, loss, deduction, and credit associated with that interest in computing the service provider's income tax liability for the entire period during which the service provider has the interest;

.02 Upon the grant of the interest or at the time that the interest becomes substantially vested, neither the partnership nor any of the partners deducts any amount (as wages, compensation, or otherwise) for the fair market value of the interest; and

.03 All other conditions of Rev. Proc. 93-27 are satisfied.

#### SECTION 5. EFFECT ON OTHER DOCUMENTS

Rev. Proc. 93-27 is clarified.
